

My New School

Newlands Primary School

Dungells Lane,

Yateley,

Hampshire

GU46 6EY

Our School Uniform

At Newlands Primary school the children wear a **blue** school sweatshirt or cardigan that has a picture of a tree on it.

Here is the picture of our school logo.

This is the library, we will be able to visit each week . You can take a book home to share with your family.

The Music room has lots of exciting instruments that make different sounds.

There will be a coat peg for you to hang your coat and your PE bag on.

There will be a tray for you to keep your school water bottle in.

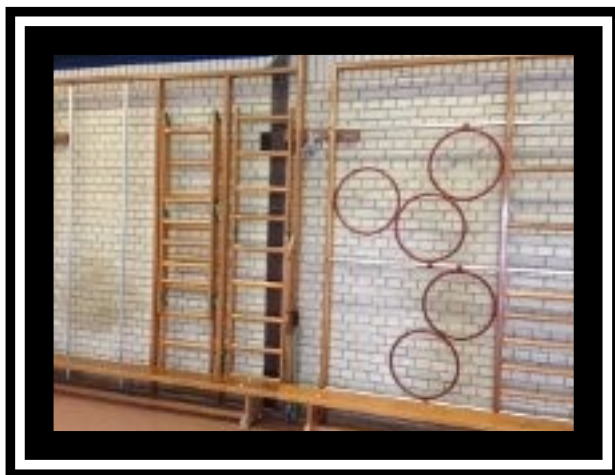

We play outside in the garden every day. We have a big garden with lots of areas and toys to share and play with.

The School Hall

Sometimes we come
in here for P.E.

We will also join the
older children in
here for
assembly once we are
settled.

**We look forward to
meeting you in
Chestnut class!**

Miss Davies

Class teacher

Mrs Stringer

Teaching assistant

We have a role play area where you can use your imaginations.

In the construction area you can build and design.

We have a reading area where you can sit quietly to read a book.

We have ipads in our classroom that you can use along with other technology.

We have a craft area with a stocked craft trolley, powder paint and lots of junk modelling.

There is a writing area where you can make cards or write letters to your friends and family.

There will be other new children that will start school at the same time as you. We are all very excited about welcoming you in September, we will all help to settle you in.
