Dear Children & Parents,

Thank you to everyone who attended Den Building last Friday. It was a huge success and lovely to be able to share the school grounds with such a large cross section of the school community. Yet again, I was impressed by the variety, complexity and creativity of the dens. Personal highlights for me were the fairy lights and the den that came complete with a chess boards. Den building kicks the start of a very busy summer season of weekly events. In the next fortnight we have an INSET day and the FONDS Summer Fayre.

- Glitter tattoo •
- Adults drinks tent •
- Water fight •

Den Building June 2023

I have long said den building was one of my favourite events. I wasn't disappointed, the weather was fantastic, turnout amazing and the dens were spectacular. I was very impressed by the preparation that had clearly taken place, supplies were gathered, bedrooms and playrooms raided and very large cardboard boxes found all in the pursuit of building some the best and most complicated dens we have ever seen.

Community News

Frimley Health and Care

! Tips for coping in hot weather

Look out for those who are most at risk: the elderly, young children and babies - help them to keep themselves cool and hydrated.

Look out for signs of heat exhaustion: dizziness, headache, feeling weak, feeling sick or being sick, increased breathing or heart rate. For more information visit [nhs.uk](https://www.nhs.uk)

Close curtains in rooms that face the sun to keep indoor spaces cooler. Remember, it may be cooler outdoors than indoors.

Drink plenty of fluids and avoid excess alcohol. If you are leaving the house, take a bottle of water.

Stay cool indoors – Learn how to keep your home cool, see [gov.uk](https://www.gov.uk).

If you are going into water (rivers, lakes, the sea or a pool) to cool down, take care and follow local safety advice.

Try to keep out of the sun and avoid exercising during the hottest part of the day - between 11 in the morning to 3 in the afternoon.

If going outdoors, stay in the shade, apply sunscreen regularly, wear a wide-brimmed hat, sunglasses and light, loose-fitting clothing.

If you live with a heart or lung condition take extra care to stay cool, ensure you have your medication to hand and seek help early if you feel unwell.

Never leave anyone or any animal in a closed, parked vehicle.

**STAY
WELL THIS
Summer**

Food Donations Appeal

Yateley Community Pantry

This week the Community Pantry is low on the following and donations of these can be dropped off at school.

Sugar

Coffee

Flour

Baked beans

Pasta sauce

Shampoo

Toothpaste
