Dear Parents & Guardians,

Monday 11th September 2023

Meet the Teacher Meetings Years 1 to 6

Welcome back to another exciting school year. The staff, children and I have had an exciting few days planning for and exploring their new learning opportunities for the year. We are looking forward to sharing all that we have planned at our Meet the Teacher sessions on **Wednesday 20th September.**

Following feedback from parents, and taking into consideration some of the lessons learned over the last few years, we will be running this years' events in similar way to last. On Friday 15th September I will upload PowerPoint presentations to the class pages of our website, which will contain all the information you need for the coming year.

On Wednesday 20th September at **3:20pm** we will set up a table for each class in the **playground**; parents can come to the **playground** after pick up to meet the teachers and ask any questions that they have (teachers will not be presenting the PowerPoints). At **4:30pm** teachers will then be available on **Microsoft Teams** (links will be on the class pages of the website) to answer any questions from parents unable to attend the after school sessions.

All meetings will be public so if you have any questions that are slightly more confidential in nature, as ever we would encourage you to ring the office and make an appointment to speak to teachers. As with previous years, you are welcome to email any questions that you have and over the next few weeks, we will compose some FAQs which we will publish on the website.

Yours sincerely,

Mr William Neighbour
Headteacher
