Dear Parents and Carers,

We hope this newsletter finds you well and thriving. I was delighted to see so many children participate in today's Children in Need event by donning their spoty attire. The sea of spots that filled our school not only brightened up our day but also contributed to a wonderful cause. Together, we raised awareness and funds for Children in Need, fostering a sense of compassion and community among our pupils. Thank you for your generosity and for teaching our children the importance of empathy and giving back.

Looking ahead, we are thrilled with the response to our upcoming Multiply Games Night scheduled for next Monday. We are excited to share that an impressive 23 families, totalling 70 people, have signed up for this fun-filled evening of games, laughter, and connection. It promises to be an event that strengthens the bonds within our school community.

The Multiply Games Night is an opportunity for families to come together, enjoy some quality time, and engage in various math-oriented games that make learning a joyful experience. We encourage everyone to bring their enthusiasm, competitive spirit, and a willingness to learn as we embark on this educational and entertaining adventure.

Newland Remembers

I would like to offer my sincere gratitude to Ms. Moor-Bardell for her outstanding efforts in setting up our Remembrance display, a poignant tribute to those who have sacrificed for our freedom. It was a privilege for me to accompany Year 6 pupils to the Yateley War Memorial this morning, where we laid a wreath in solemn remembrance. Ms. Moor-Bardell's dedication and attention to detail have truly brought the spirit of Remembrance Day to life within our school.

The thoughtful arrangement of the display serves as a poignant reminder of the sacrifices made by countless individuals. Thank you, Ms. Moor-Bardell, for your unwavering commitment to instilling a sense of respect and gratitude in our pupils.
