Equalities Information Appendix A

We recognise that the public sector equality duty has three aims, to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct under the Act
- advance equality of opportunity between people who share a protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not

We have considered how well we currently achieve these aims with regard to the protected groups under the Equality Act (race, disability, gender, gender re-assignment, age, pregnancy and maternity, marital status, sexual orientation, religion and belief and sexual orientation).

We have also involved staff, pupils, parents and others in the following ways:

- questionnaires and surveys
- involvement of the school council
- Parent working groups and work shops
- contact with parents representing pupils with particular protected characteristics

Equalities Information Appendix B

Equality Objectives Appendix B

Having referred to and analysed our equality information, we have set ourselves the following objective(s):

Objective 1: To improve outcomes for disadvantaged pupils plus Gypsy, Roma & Traveller pupils so that they reflect appropriate progress from their various starting points.

Objective 2: To ensure that the progress of pupils with SEN is at least in-line with their peers.

Legislation only requires one objective to be set and this should be pupil related. The number of objectives set should be proportionate to the size and functions of the school.

The Equality Act 2010 (Specific Duties) Regulations 2011 require Governing Bodies to publish equality objectives at intervals of no more than four years but schools should publish detail on progress towards these objectives on an annual basis and publish this detail on the school's internet site.
