Dear Parents and Guardians,

Friday 22nd March 2024

Eid Celebration

We hope this letter finds you well. The holy month of Ramadan – which is a month for Muslims- is shortly coming to an end, so we are planning to celebrate Eid by dressing up in smart or sparkly clothes.

The School Council would like the children to wear these clothes next Thursday (28th March) and they will do an assembly on Monday in which the children will get LOADS of knowledge about Ramadan.

Yours faithfully,

School Council
